

Women in Autophagy

Beth Levine's Legacy Network

GOALS OF THE NETWORK

- Become the global continuation of Beth's Levine dedication to **scientific research** and **mentoring on autophagy**
- Foster activities to **promote careers** of trainees and young scientists in autophagy
- Generate a **network of e-mentors** all around the globe providing trainees with access to expert advice on autophagy-related topics, career development and work-family balance
- Provide a **platform for discussion** of scientific, technical and career-development matters related to autophagy
