## 12<sup>th</sup> SWISS APOPTOSIS AND AUTOPHAGY MEETING

Bern, September 7-8, 2023  
Langhans Auditorium, Institute of Pathology  
University of Bern

### Program

*Thursday, September 7<sup>th</sup>, 2023*

#### LS<sup>2</sup> Satellite Symposium:

- 08h30– 09h50 **Main speakers: Concepts and Methods in Programmed Cell Death and Autophagy**  
Chair: tba
- 08h30 – 08h50 **Maria Tanzer (Melbourne, AU)** - Cell death
- 08h50 – 09h10 **Miriam Erlacher (Freiburg, DE)** - *In vivo* models
- 09h10 – 09h30 **Nikolai Engedal (Oslo, NO)** - Autophagy
- 09h30 – 09h50 **Katja Cosentino (Osnabrück, DE)** - Biophysical approaches to investigate pore forming proteins
- 09h50 – 10h00 **Flash Poster Presentations (I)** - (*Posters will be on display the entire meeting*)  
Chair: tba  
3 x 3min presentations selected from student abstracts.
- 10h00 – 10h30 **Coffee Break**
- 10h30 – 11h00 **"From an academic discovery to starting a business"**  
Alexander Eggel, ATANIS Biotech
- 11h00 – 11h30 **"Tips for publishing in scientific journals"**

**Seamus Martin/Kevin Ryan**, Editors-in-chief, FEBS/Molecular Oncology

11h30 – 12h00 **Flash Poster Presentations (II)** - (Posters will be on display the entire meeting)  
Chair: tba  
8 x 3min presentations selected from student abstracts.

## 11<sup>th</sup> SWISS APOPTOSIS AND AUTOPHAGY (SA<sup>2</sup>M) MEETING

10h00– 13h00 *Registration and poster mounting at info desk*

13h00– 13h05 **Welcome address**

13h05– 14h15 **Session I: Cell Death/Cancer**  
Chair: tba

13h05 – 13h30 **Andreas Strasser (Melbourne, AU)**

13h30 – 13h55 **Miriam Erlacher (Freiburg, DE)**

13h55 – 14h20 **Hamid Kashkar (Cologne DE)**

14h20 – 14h30 *Short talk selected from abstracts.*

14h30 – 14h40 *Short talk selected from abstracts.*

14h45– 15h30 **Coffee break**

15h30 – 16h40 **Session II: Autophagy**  
Chair: tba

15h30 – 15h55 **Elise Jacquin (Paris, FR)**

15h55 – 16h20 **Nikolai Engedal (Oslo, NO)**

16h20 – 16h30 *Short talk selected from abstracts.*

16h30 – 16h40 *Short talk selected from abstracts.*

16h40 – 17h10 **Flash Poster Presentations (III)** - (Posters will be on display the entire meeting)  
Chair: tba  
8 x 3min presentations selected from student abstracts.

17h15 – 18h00 **Session III: Institute of Pathology Talk - Translational Research**  
Keynote lecture. Introduction: Mario Tschan  
**Marcus Conrad (Munich, DE)**  
*"Ferroptosis, tba"*

18h00 – 19h30 **Poster Session/Meet the Expert**

20h00– ? **Conference BBQ Party.**  
("Heubühne", Bernstrasse 77, 3018 Bern; [www.bienzugut.ch](http://www.bienzugut.ch))

**Friday, September 8<sup>th</sup>, 2023**

09h00 – 9h30 **Start your day with a coffee and networking**

09h30 – 11h20 **Session IV: Cell Death & Autophagy**  
Chair: tba

09h30 – 09h55 **Stephen Tait (Glasgow, UK)**

09h55 – 10h20 **Devrim Gocuazik (Istanbul, TR)**

10h20 – 10h45 **Kevin Ryan (Glasgow, UK)**

10h45 – 11h00 *Short talk selected from abstracts.*

11h00 – 11h15 *Short talk selected from abstracts.*

11h15 – 11h45 **Quick Oral Presentations**  
Chair: tba

*4 quick oral presentations selected from abstracts from young researchers.*

11h45– 13h15 **Lunch break and Poster Session II**

13h15– 15h00 **Session IV: Necro(pto)sis & Inflammation**  
Chair: tba

13h15 – 13h40 **Maria Tanzer (Melbourne, AU)**

13h40 – 14h05 **Katja Cosentino (Osnarbrück, DE)**

14h05 – 14h30 **Seamus Martin (Dublin, IE)**

14h30 – 14h45 *Short talk selected from abstracts.*

14h45 – 15h00 *Short talk selected from abstracts.*

15h00– 15h15 **Best Poster and Short Talks and Concluding Remarks**
